

Hawthorn Supported Playgroups

Are you a student or non-permanent resident, feeling isolated, needing support, or do you have a child with additional needs?

Come along to our Supported Playgroup for **children ages 0-5**.

Meet other parents, pick up useful tips and find out about other services for your child and family in the area.

Our Supported Playgroup is an enjoyable and social group where parents and children enjoy a range of fun play activities together.

The Supported Playgroup is run by an Early Childhood Early Intervention Teacher.

This is a free program by referral only.
