Community-based, social and recreational programs

Our community programs provide opportunities for people to participate in group programs that encourage creative expression and community engagement. Our creative programs include art, music and cooking. They focus on active participation, learning new skills and developing social connections.

We are a Registered NDIS service provider so, attending our programs can be included in your plan. We are also registered with the TAC to provide community group programs.

Our fees are charged at the rate listed in the NDIS price guide. Most of our programs run during Victorian state school terms. For information and to register for our programs call us on **(03) 9819 2629**.

Men's Shed

The Manningham Men's Shed provides a safe and friendly space where men are able to work on meaningful projects at their own pace, in the company of other men.

As well as woodworking equipment there is a computer lab, art space, electrical repair and engineering workshop, community gardening, bee keeping and a large games room.

The Shed supports men and strengthens the local community by providing opportunities for men to learn, to share skills, to meet new people and to support each other.
